## Gottex Fund Management wins two European Fund Of Hedge Funds awards

Gottex Fund Management, a leading independent global alternative asset management group, today announced its success at the European Fund of Hedge Funds Awards, sponsored by Hedge Funds Review.

Gottex won the award for 'Most Innovative Funds of Funds Product' (ABI Fund) and the award for 'Best Structured Product House'. The Group was also nominated for awards in the categories of Best Group and Best European Institutional Hedge Fund of Funds Product Provider.

*"Gottex is delighted to receive these Awards and be recognised in two very competitive categories, which is testament to the knowledge and innovation of the Group."*

**Joachim Gottschalk**  
Chief Executive & Chairman
